WATER** *Powered by water
Driven by service.*

Your new reliable resource
for safe and affordable water

WHAT YOU SHOULD KNOW

What is the cost of water?

The water is 9¢ per gallon.

What are the hours of operation?

The fill station is open 24 hours a day 7 days a week. For assistance with the fill station, contact Western Water Customer Service at 951.571.7104 from Monday - Friday, 8 a.m. to 5 p.m.

What is needed to use the fill station?

To dispense water from the filling station, you will need to bring a container and a garden hose or a 2.5" fire hose connector.

How do I pay for the water?

Payments are made at the kiosk, which accepts all major credit cards.

Why was this fill station needed?

Our new Water Filling Station in Gavilan Hills exemplifies our commitment to ensuring access for all, particularly those without direct water connections. The fill station becomes another reliable connection with the convenience of purchasing the water needed with a credit or debit card.

Tampering with water resources is illegal and may result in criminal implications
